

Beazer Homes Hosts Grand Opening for New Community in Historic Ellicott City

November 3, 2017

COLUMBIA, Md.--(BUSINESS WIRE)--Nov. 3, 2017-- Beazer Homes, one of the nation's largest home builders, is excited to host the grand opening of Enclave at Westmount, its newest Maryland community, on Saturday, November 11th from 11 a.m. to 2 p.m. Located near historic downtown Ellicott City, this luxurious community features 44 single-family homes with wooded and cul-de-sac home sites, and provides convenient access to the major roadways.

"Along with access to the top-rated high school in Howard County, Enclave at Westmount is located on land that offers a lot of exciting American history," said Rod Hart, Division President. "A portion of this land was granted to the Carroll family in the 17th century by Lord Baltimore. Charles Carroll was the last surviving signer of the Declaration of Independence. The Carroll family continues to own many of the 10,000 acres granted by Lord Baltimore, and the transfer of title to Beazer Homes will be the first significant transfer since the 17th century."

Homebuyers can choose from seven exquisitely designed floorplans with living space ranging from 2,715 to 3,813 square feet. Floorplans include popular design elements, such as gourmet kitchens with double wall ovens, hardwood floors in the main living areas, open layouts ideal for entertaining, and more. Additionally, buyers are given the flexibility of Beazer's Choice Plans™, which provide the option to choose room-specific layouts to create their ideal living space, at no additional cost.

Like all Beazer homes, each home in Enclave at Westmount is ENERGY STAR® Certified, which means it is built to conserve energy and reduce monthly costs. Several builders tout energy-efficient homes, but few take the necessary steps to ensure their homes meet the most current requirements of ENERGY STAR®. Beazer meets and exceeds those requirements on every house, every time.
